RECEIVED  
 OFFICE OF THE GENERAL MANAGER  
 CASURECO II DEL ROSARIO  
 EDEN J. REYES  
 9/24/10

**MS. JANE T. BARRAMEDA**  
 OIC - General Manager  
 Camarines Sur II Electric Cooperative, Inc. (CASURECO II)  
 Del Rosario, Naga City, Camarines Sur 4400

Dear **Ms. Barrameda**:

This refers to your letter dated August 20, 2010 requesting the Commission to issue a certificate and/or confirm the unbundled rates being levied by CASURECO II to its consumers in adherence to ERC Resolution No. 16, Series of 2009.

The following are the Distribution, Supply and Metering Charges of CASURECO II as approved by the Commission in an Order dated January 11, 2010 under ERC Case No. 2009-143:

| NEW CUSTOMER CLASSES   | DISTRIBUTION CHARGES       |               | SUPPLY CHARGES       |                        | METERING CHARGES       |                        | M.C.C.  |
|------------------------|----------------------------|---------------|----------------------|------------------------|------------------------|------------------------|---------|
|                        | Distribution System Charge | Demand Charge | Supply System Charge | Retail Customer Charge | Metering System Charge | Retail Customer Charge |         |
|                        | PhP/kWh                    | PhP/kW        | PhP/kWh              | PhP/cust./mo.          | PhP/kWh                | PhP/meter/mo.          | PhP/kWh |
| Residential            | 0.7574                     |               | 0.5893               |                        | 0.3374                 | 5.00                   | 0.2178  |
| <b>LOW VOLTAGE</b>     |                            |               |                      |                        |                        |                        |         |
| Commercial w/o Demand  | 0.5815                     |               | 0.1332               | 15.53                  |                        | 38.53                  | 0.2178  |
| Irrigation             | 0.3744                     | 14.67         | 0.0131               | 15.53                  |                        | 97.93                  | 0.2178  |
| Industrial             | 0.3880                     | 14.67         | 0.0059               | 15.53                  |                        | 97.15                  | 0.2178  |
| Street Lights          | 0.5148                     |               | 0.0146               | 15.53                  |                        | 10.93                  | 0.2178  |
| Pub. Bldgs. w/o Demand | 0.7863                     |               | 0.0906               | 15.53                  |                        | 37.27                  | 0.2178  |
| <b>HIGHER VOLTAGE</b>  |                            |               |                      |                        |                        |                        |         |
| Commercial w/ Demand   | 0.3721                     | 70.52         | 0.0047               | 15.53                  |                        | 72.06                  | 0.2178  |

| Industrial             | 0.2399                     | 70.52         | 0.0059               | 15.53                  |                        | 97.15                  | 0.2178  |
| Pub. Bldgs. w/ Demand  | 0.3721                     | 70.52         | 0.0047               | 15.53                  |                        | 72.06                  | 0.2178  |

As regards the Generation, Transmission, System Loss, Lifeline and Value Added Tax (VAT) Rate, these charges are automatically adjusted by Distribution Utilities on a monthly basis consistent with ERC's Resolution No. 16, Series of 2009. These, however, are still subject for verification and confirmation by the Commission, consistent with Resolution No. 16, Series of 2009, entitled the "Rules Governing the Automatic Cost Adjustment and True-Up Mechanisms and Corresponding Confirmation process for Distribution Utilities".

We hope we have sufficiently addressed your concerns.

Very truly yours,

  
**FRANCIS SATURNINO C. JUAN**  
Executive Director
